

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF MURRAY NO. 2 WATER)	
DISTRICT FOR A DEVIATION FROM THE)	CASE NO. 93-092
REGULATION FOR WATER LINE EXTENSION)	
POLICIES)	

O R D E R

On March 11, 1993, Murray No. 2 Water District ("Murray No. 2") filed a request for a deviation from every line extension rule, policy or procedure. On March 19, 1993, Murray No. 2 submitted a tariff which set forth its proposed rules and regulations for extension of service.

The Commission, having reviewed the record and being otherwise sufficiently advised, finds that:

1. The tariff proposed by Murray No. 2 fails to comply with Commission regulations for extension of service.

2. A deviation from the regulation for water line extension service set forth in 807 KAR 5:066 Section 11 is not in the public interest and should be denied.

3. Murray No. 2 should state the specific section and subsection of any regulation from which it wishes to deviate in the future.

IT IS THEREFORE ORDERED that the request for a deviation from the regulation for water line extension policies filed by Murray No. 2 is denied.

Done at Frankfort, Kentucky, this 19th day of April, 1993.
